

Walking Tours of Ogunquit

Join the Ogunquit Chamber of Commerce on a walk around Ogunquit.

Marginal Way Lighthouse

Learn about the 350 year history of Ogunquit, the creation of Perkins Cove, and the establishment of the Marginal Way and Ogunquit Beach as public areas.

We will travel back in time using the buildings and landmarks as our guides, exploring the early occupations in Ogunquit, from forestry to fishing, from art to tourism, and learning how some of your favorite Ogunquit landmarks and old houses got their names, and changed uses (and locations!) through the years.
